

Lepidoptera Species Collected by Andrew D. Warren at Silver Creek Nature Preserve
(and adjacent parts of the Picabo Hills), Blaine Co., Idaho. May 26-28, 2000

Butterfly species listed in **bold** are new records for Blaine County. Probably all of the moths are new records for the county, but are not listed in bold. All determinations by A. D. Warren.

BUTTERFLIES:

Hesperiidae:

Erynnis icelus
Erynnis persius
Pyrgus ruralis
Pholisora catullus

Papilionidae:

Papilio zelicaon
Papilio rutulus
Papilio multicaudatus

Pieridae:

Pontia occidentalis
Pontia sisymbrii
Pieris rapae
Euchloe ausonides
Colias philodice

Lycaenidae:

Lycaena helloides
Celastrina ladon
Plebejus icarioides
Callophrys affinis
Strymon melinus

Nymphalidae:

Speyeria callippe
Speyeria coronis
Nymphalis milberti
Nymphalis antiopa
Polygonia satyrus
Vanessa annabella
Phyciodes campestris
Coenonympha tullia

MOTHS:

Sphingidae:

Smerinthus cerisyi
Paonias myops
Hyles lineata

Arctiidae:

Lophocampa maculata
Grammia ornata
Estigmene acrea

Lasiocampidae:

Phyllodesma americana

Notodontidae:

Gluphisia septentrionis

Noctuidae:

Spaleotis clandestina
Leucania insueta
Leucania multilinea
Autographa californica
Anagrapha falcifera
Zale sp. unidentified
Draudtia lunata
Discestra crotchi
Discestra trifolii
Acronicta impleta
Euxoa tristicula
Rhizagrotis albalis
Litholomia napaea
Cucullia dorsalis
Cucullia similaris
Melanchra picta
Platyperigea extima
Rhynchagrotis exertistigma

Geometridae:

Semiothisa nubiculata
Semiothisa curvata
Semiothisa delectata
Semiothisa neptaria
Glaucinia spaldingata
Chesiadodes cinerea
Plataea trilinearia
Eustroma semiatrata
Cyclophora sp. unidentified

Pyralidae:

Loxostege commixtalis
Etiella zinckenella
Pyrausta sp. unidentified
species unidentified.

Butterfly species collected by Andrew D. Warren in Willow Creek Canyon, 5400 – 7200', Camas Co., Idaho on May 27, 2000. Species in bold are new Camas County records.

Erynnis icelus

Erynnis persius

Pyrgus ruralis

Pholisora catullus

Hesperia juba

Papilio zelicaon

Papilio multicaudatus

Papilio rutulus

Papilio eurymedon

Pieris rapae

Pieris napi

Anthocharis sara "stella"

Euchloe ausonides

Colias alexandra

Colias philodice

Lycaena helloides

Plebejus icarioidea

Glaucopsyche lygdamus

Celastrina ladon

Callophrys affinis

Callophrys (Incisalia) augustinus

Speyeria callippe

Nymphalis antiopa

Nymphalis milberti

Vanessa atalanta

Polygonia satyrus

Polygonia faunus

Polygonia gracilis zephyrus

Phyciodes mylitta

Coenonympha tullia
